

AFTER  
ROCK

A REFINED  
GUIDEBOOK  
FOR GOOD DRINKING

VOLUME II

## “ A New Chapter Unfolds ”

Where craft, culture, and curiosity meet in every glass.  
Each creation on this menu celebrates balance and boldness, inspired by local flavors and global spirits. From the hands of our bartenders to the heart of your experience, every sip reveals a new layer of artistry. Sip, explore, and let the night write its story through your senses, a story of flavor, feeling, and discovery beneath the glow of the moment.

*Make it happen!*

# The Alchemist Whisper

**E**very cocktail begins with a search for balance, memory, and feeling.

We gather flavors like stories from gardens, markets, coastlines, and spice routes, shaping them with intention. Nothing is accidental; every aroma, every garnish, every pour has purpose.

Cocktails here are expressions: Whispers of places we've traveled, echoes of people and moments that stay with us.

Our teams are hosts, guides, and storytellers, inviting you not only to drink, but to feel.

*Sip with presence. Let the night move slowly. Let flavor speak.*
